#### Highlights

First year for two All-State Jazz Bands. One band for the small schools and one for the large ones. Both bands performed the final concert of the 1982 convention. The exhibits and many of the clinics were at the hotel and most performances took place at Summit High School. First year for the CBA Exemplary Band Award. Fourteen schools in Colorado qualified for and received the award.

Concerts were performed by:

Vikan Junior H.S (Brighton). – Stan Unruh

Longmont H.S. Symphonic Band – Gary Stollsteimer

Telluride School Band – Joan Tigai

Freed M.S. (Pueblo) – Michael DeLuca

Lake County H.S. Concert Band – Gary Welch

Thornton H.S. Jazz Band – Dennis Sullivan

All-State Jazz Bands – Eddie Williams (small schools), Willie Hill (large schools)

There were 154 members of CBA listed in the 1982 convention handbook. However, the number of members attending the convention was not encouraging. The change of site and time of year for the convention was not increasing attendance. It was decided to move the convention to Vail for the 1983 convention.
